

MARINA NTONOPOULOU

Director at Abolish Slavery in the 21st Century

Marina is an IVLP alumna from Greece who participated in the Combating Trafficking in Persons I program in February 2020. Over two days, her program met with the Avery Center, Truckers Against Trafficking, ALIGHT, The Laboratory to Combat Trafficking, the Colorado Human Trafficking Council, and the Human Trafficking Center. The program finished with homemade WorldDinners.

"This trip will stay in my heart forever since it was a life changing experience overall. Specifically in Colorado, I was excited about our visit to the Avery Center, hosted by the University of Northern Colorado. The high level of knowledge and expertise of the professionals who taught us in addition to the excellent facilities created an amazing atmosphere to exchange our practices and talk more about the global efforts to tackle Human Trafficking."
