About WorldDenver

Our Mission is to strengthen and expand the community of engaged global citizens and organizations in Colorado through education, cross-cultural exchange, and personal interaction with international leaders, professionals and students.

About International Women's Day

International Women's Day (IWD) celebrates the social, economic, cultural, and political achievements of women around the world. Since 2013, WorldDenver has hosted Denver's premier International Women's Day celebration to inspire women and celebrate their achievements, while highlighting global efforts to accelerate gender equality.

What Your International Women's Day Sponsorship Supports

One of the largest International Women's Day celebrations in the country to honor the achievements of women worldwide

The World Affairs Challenge, which connects more than 1000 middle and high school students in Colorado to students across the globe through collaborative conversations about sustainability

Inclusive community events that bring Coloradans from all backgrounds together to discuss and learn more about global issues and world affairs

International exchange programs that bring more than 500 leaders from around the world to Colorado to share insight and expertise with local businesses, agencies, and nonprofits
