

ART FROM ASHES

Art from Ashes regularly hosts IVLP visitors and Youth Ambassadors, often hosting workshops for our Youth Ambassador program. AfA meets IVLP groups across a broad spectrum, from Promoting Peace and Security Through Education and Youth Participation group in July 2019, to Capacity Building for Cultural and Educational Institutions in Post Conflict in May 2018. Their mission is to empower struggling youth by providing creative programs. Since AfA's inception in 2003, they have provided poetry and creative workshops to high-risk youth, facilitating expression, connection and transformation among the most neglected and vulnerable segments of our community.

"WorldDenver puts on the best events and we are always grateful to be included in the amazing work you do. Now more than ever, it's important to continue conversations with others across the globe (especially since travel isn't really an option right now). Thank you for continuing to provide those bridges through virtual platforms in these times when we can't meet in person."
