AT DENVER CENTER FOR PERFORMING ARTS
Maryam Monsef is the Founder and CEO of ONWARD. As a speaker, facilitator, convener and advocate, she continues to advance her vision for a world where women and their families are thriving. Maryam arrived in Canada at age 11 as a refugee. Against all odds, she escaped war and survived poverty and displacement to become the first Afghan-Canadian Member of Parliament. Between 2015 to 2021, Maryam was a Member of Parliament and served in Prime Minister Justin Trudeau’s Cabinet. She served as President of the Queen’s Privy Council, Minister for Democratic Institutions, Minister for the Status of Women, Minister of International Development, Minister of Rural Economic Development and established Canada’s first full department for Women and Gender Equality as its Minister. Under her stewardship, Canada was recognized as a world leader in Sexual and Reproductive Health and Rights, investments in domestic and international grassroots women’s organizations, and for its intersectional response to COVID-19.

In 2018 and 2019, Monsef was recognized by Apolitical as one of the Top 20 global influencers on gender equality, along with Ruth Bader Ginsburg, Michelle Obama and Malala.
